

John Robinson Associates

Utility Survey Specialists & Consultants

Going out to Tender.

- Unsure who should be on a tender list?
- Who has the correct skillset, experience and qualifications?
- How will you evaluate the tender returns?
- What are the KPIs to look out for?

We request tender returns from several reputable survey suppliers. We also have a range of pre-selected, quality assured survey providers that are qualified, able, and experienced to undertake the task

We evaluate each tender and discuss with you the merits of each submission, KPIs verses price.
